

A new premium range by SandenVendo inspired by the timeless heritage of Vendo.

For almost 90 years, Vendo has shaped the world of automatic retail, combining engineering excellence with distinctive design. Today, we proudly introduce its Vendo Legend®, a premium vending line that revives the iconic spirit of Vendo's golden era while embracing the technology and sustainability of modern vending. The Vendo Legend® Line reinterprets the aesthetic language of the 1950s and 1960s through contemporary engineering, creating a vending machine that is not only functional, but a true design statement.
